¹The last four scienter columns address a subset of the group-pled scienter allegations, and the Complaint also does not identify which scienter allegations are intended to apply to each challenged statement. Therefore, for those columns, Defendants assume that all scienter allegations at issue are intended to apply to all Defendants and challenged statements.

²See Appendix B.

³See Appendix C.

⁴Although Plaintiffs attribute many of the alleged misstatements to "BP" rather than to any individual (see Compl. ¶¶ 353, 355, 383, 386, 387-90, 394, 396-97, 399, 406, 408, 410), Defendants here attempt to identify the individual (if any) to which these statements may be attributable.

⁵Inglis, Hayward and Conn participated in parts of the presentation.
